

## Technical Information

# Dursol® Shine Metal Polish

### Product information

This domestic metal cleaning product has the ability to not only clean metal surfaces but to also protect them from tarnishing. SHINE Metal Polish is ideal for cleaning, polishing and protecting bright metal surfaces around the home and commercial areas. Great for polishing aluminium, stainless steel, brass, copper and most metals.

### Application

1. Apply using a soft cloth.
2. Rub product onto surface to be treated, then polish and buff to a high lustre.
3. On uneven surfaces apply with a small brush.
4. For lasting care apply product regularly.

### Note

Not suitable for anodised aluminium and fine silver.

### Technical Data

Form: paste  
Colour: pink  
Odour: characteristic

### Health and Safety

Safety Data Sheet is available separately.
