

Technical Information

AUTOSOL[®] De-Greaser

Product information

AUTOSOL[®] De-Greaser is a concentrated special detergent with excellent cleaning power. With a powerful de-greasing effect this product will easily remove oil, grease and dirt contamination. The product will aid in waste water treatment systems and oil separation processes.

Application

Either spray, dip or brush the parts to be cleaned then leave for 5-10 minutes. For heavy dirt contamination apply with a sponge or brush. Wash off the loosened dirt with plenty of water. In extreme cases repeating the process may be needed. Warm water assists the cleaning process

Note

Do not let the product dry. Do not use on hot surfaces. Dispose of oil-containing waste water appropriately via a waste water treatment systems / oil separation processes.
