

AUTOSOL® Blitzreiniger 2.0

Product information

Highly concentrated multi-purpose cleaner for gentle care and cleaning of almost all surfaces that can be wiped wet. It cleans glass, plastic, artificial leather, tiles, ceramics and much more. Achieves streak-free shine. Pleasant fresh scent. Surfactants are readily biodegradable according to Regulation on Detergents (EC) 648/2004.

Application

Dosing and exposure time depending on the degree and type of contamination:

- Car mats / ceramic surfaces / marble surfaces
=> Dilution 1:30
- Lacquered and enamelled surfaces
=> Dilution 1:50

Apply AUTOSOL® Blitzreiniger 2.0 to the soiled surface in appropriate dilution and, after a suitable exposure time, rinse off with water or wipe off with a wet cloth or vacuum. Warm water supports the cleaning process.

Application areas

- Vehicle preparation
- Service Stations
- Gastronomy
- Truck and bus companies
- Household
- Industry
- Petrol station dispenser cleaner
- Building Cleaners
- Printing industry
